

			SUPPORTS VPN SERVER						LOGGING AND ALERTS				ACTIVITY AND USAGE REPORTS					
Contact Information	Product Name	Price	For Remote Clients	For Site-to-Site Connections	Routable Network Interfaces	Number of Switch Ports	Supports Stateful Packet Filtering	Provides DHCP and DNS Services	Log Formats	Type of Alerts	Logs Allowed Packets in Real Time	Logs Dropped Packets in Real Time	Report Format	Report Content	Acts as Proxy or Forwards Packets	Provides Content Filtering	Diagnostic Tools	Management Interface
3Com 508-323-5000 800-638-3266 http://www.3com.com	3CR860-95 3Com Office-Connect Secure Router	\$155	IP Security (IPSec), Layer Two Tunneling Protocol (L2TP) over IPSec, PPTP	IPSec	LAN, WAN	4	Yes	DHCP, DNS	HTTP, SNMP	Attack detection, content filtering, dropped packets, ISP connection events, LAN events, successful and failed VPN connections	No	Yes	HTTP	N/A	Forwards packets	Yes	DNS lookup, ping, tracert	HTTP
	3CR870-95 3Com Office-Connect VPN Firewall	\$395	IPSec, L2TP over IPSec, PPTP	IPSec	LAN, WAN	4	Yes	DHCP, DNS	HTTP, SNMP	Attack detection, content filtering, dropped packets, ISP connection events, LAN events, successful and failed VPN connections	No	Yes	HTTP	Traffic counter for total upload and download	Forwards packets	Yes	DNS lookup, ping, tracert	HTTP
Buffalo Technology 512-794-8533 866-752-6210 http://www.buffalotech.com	Wireless Secure Remote Gateway	\$199	Yes	PPTP	Demilitarized zone (DMZ), LAN, WAN	4	Yes	DHCP, DNS	Syslog	Dropped packets, successful and failed VPN connections, wireless	Yes	Yes	N/A	Destination, incoming traffic, network traffic	Forwards packets	No	DHCP client monitor, DNS lookup, packet tracing, ping	HTTP
Check Point Software Technologies 650-628-2000 800-429-4391 http://www.checkpoint.com	Check Point Safe@Office	\$299 for 5 users; \$599 for 10 users	IPSec	IPSec	DMZ/WAN2, LAN, WAN	4	Yes	DHCP	Syslog	Allowed packets, dropped connections, setup changes	Yes	Yes	N/A	N/A	Forwards packets	Yes	Ping, tracert, WHOIS	Call Level Interface (CLI), HTTP, HTTP Secure (HTTPS), SofaWare Technologies' SofaWare Security Management Portal (SMP) centralized management
Firewall Security Solutions 403-266-5895 877-808-8488 http://www.bizguardian.com	BizGuardian Firewall	\$249	IPSec, PPTP	IPSec, PPTP	DMZ, LAN, WAN	1	Yes	DHCP, DNS	HTTP, SNMP, syslog	All	Yes	Yes	HTTP	Bandwidth usage, network traffic statistics, top destination, top network users, top Web sites	Acts as proxy	Yes	Graphical status and summary	HTTP from inside the network or remotely via VPN connection
Fortinet 408-235-7700 866-868-3678 http://www.fortinet.com	FortiGate-50A	\$495	IPSec, L2TP, PPTP	IPSec	LAN, WAN	0	Yes	DHCP, DNS	Email, FortiLog unit, Web-Trends, syslog	Addressing information, log format, log filters, severity level; sends alert email message to up to three recipients	Yes	Yes	Separately purchased FortiLog and FortiReporter	FortiLog: more than 100 predefined reports; FortiReporter: more than 400 predefined reports	Forwards packets; acts as a proxy for FTP, HTTP, IMAP, POP3, SMTP	Yes	Packet sniffing, ping, ping6, traceroute	HTTPS, Secure Shell (SSH), Telnet
HotBrick 305-398-0888 866-468-2742 http://www.hotbrick.com	HotBrick Firewall SoHo LB2	\$219	No	No	DMZ, LAN, WAN	4	Yes	DHCP, DNS	HTTP, SNMP, syslog	Dropped packets, successful and failed VPN connections	No	Yes	N/A	N/A	Forwards packets	Yes	No	HTTP, SNMP
NETGEAR 408-907-8000 888-638-4327 http://www.netgear.com	ProSafe 802.11g Wireless Firewall with USB Print Server, Model FWG114P	\$200	No	No	Three interfaces	4	Yes	DHCP	Syslog	Dropped packets, security events	No	Yes	Email, HTTP	Blocked-site access attempts, network traffic statistics, router connection, router operation, Web sites and newsgroups visited	Forwards packets	Yes	DNS lookup, ping, remote reboot	HTTP
SOHOware 408-565-9888 800-632-1118 http://www.sohoware.com	BroadGuard@ Firewall VPN Router	\$195	IPSec, L2TP, PPTP	IPSec, L2TP, PPTP	LAN, WAN	4	Yes	DHCP	HTTP, SNMP, syslog	Dropped packets, successful and failed VPN connections	No	Yes	HTTP	Access control, attacks, network traffic statistics, user logon information	Acts as proxy	Yes	No	HTTP, serial port, SNMP
